The Leibniz Institute of European History (IEG) awards fellowships to international postdocs conducting research in European history, the history of religion, and other historical disciplines (including Digital Humanities).

The IEG funds research projects on European history from the early modern period to contemporary history. The fellowship is intended to help you develop your own research project in close collaboration with scholars working at the IEG and to contribute to its ongoing [research activities](#).

We are particularly interested in projects

- with a comparative or cross-border approach,
- on European history, including its relation to the wider world, or
- on topics of intellectual and religious history.

WHAT WE OFFER

The IEG Fellowship provides a unique opportunity to pursue your individual research project while living and working for 6–12 months at the Institute in Mainz.

The monthly stipend is € 1,800. Additionally, you can apply for family or child allowance.

During the fellowship you are required to reside at the Institute in Mainz. You actively participate in the IEG's research community and the weekly colloquia.
